Keen Competition In Two-Day Ladies' Bonspiel

The hootin' and hollerin' could be heard from the curling rink on Friday and Saturday of last week when the ladies' bonspiel was underway. Many of the visiting rinks commented on the excellent ice conditions.

Winners were as follows:

First Event:
1st, Street of Olds; 2nd, Wilson of Okotoks; 3rd, Erickson, Elkton; 4th, Kimmel, Didsbury.

Second Event:
1st, Cassebeer, Midway; 2nd, M. McCoy, Didsbury; 3rd, M. Brown, Didsbury; 4th, Shields, Didsbury.

Third Event:
1st, Clarke, Carstairs; 2nd, G. Brown, Gleichen; 3rd, D. Johnson, Didsbury; 4th, Befus, Elkton.

Grand aggregate was won by the Cassebeer rink of Midway; largest end by the Kimmel rink of Didsbury and the consolation went to the Didsbury foursome skipped by Mrs. Johnson.

The winner of the money-doll was Mr. Roy Raycroft of Farm Electric, Didsbury.

HOME AND SCHOOL HEAR GUEST SPEAKER

The regular meeting of the Didsbury Home and School Association was held on Monday evening February 9th in the school auditorium. Highlighting the evening was the talk given by Dr. T. J. Parkinson, staff member of the Provincial Training Institute at Red Deer. He spoke on the subject, "Mental Health". He explained the different problems related to mental health and the different phases of neuritic reaction amongst the mentally ill. He stressed that we should recognize that those were people just as we are, and that we were merely the lucky ones whose duty was to help them rebuild their lives.

Following the talk an opportunity was given for questions. The meeting proved to be very interesting and informative.

MOUNTAIN VIEW

(From Our Own Correspondent)

Sincere sympathy from all their friends is extended to Mr. and Mrs. Jack Clark and family in the loss of their young son and brother, Mr. and Mrs. Doug Gooding and family were Sunday afternoon visitors with Mr. and Mrs. R. Roberts of Olds.

Mr. and Mrs. Henry Penner and girls were Sunday afternoon visitors with the John Penner family at Sunnyslope.

Mr. and Mrs. Ernie Clarke, Mr. and Mrs. Doug Gooding, Mr. and Mrs. Snyder and Henry Penner, spent Sunday evening at the home of Mr. and Mrs. Roy Gale. The men prepared the draws for the F.U.A. bonspiel, which started Monday morning.

Congratulations are extended to Mr. and Mrs. Haulee Anderson, on the birth of a son.

Little Lorna McMann, youngest daughter of Mr. and Mrs. Orville McMann, returned home last Tuesday from the Red Cross hospital, where she spent three weeks after undergoing surgery to her leg.

The rink skipped by Doug Gooding, with Henry Penner, Charlie Snyder and Roy Westfall, was successful in winning first in the third event at the Midway bonspiel.

Mrs. B. A. Atkinson journeyed to Calgary Friday afternoon to "open house" with pupils which she taught thirty years ago. Here they discussed memories of the West Calgary School during the period from 1922 to 1929.

APT ANSWER . . .
"Swell town you got. Lotta big men born here?"
"No. Only babies."

"Spread the good news!" Kirk Cloutier, 5, seems to say as he rings fire bell, celebrating success of drive which raised almost \$300,000 for medical research. Research may yet save his life and lives of some 20,000 other Canadian victims of muscular dystrophy. With Kirk, Canadian poster child for 1958 March for Muscular Dystrophy, is Robert Martin, one of many fine fighters who led March for fifth successive year. (Photo by Jean Gilmour-Merrill)

Social Credit Holds Olds Seat

Roderick A. Macleod, 50-year-old mayor of the central Alberta town of Sundre, retained Olds constituency for the Social Credit government in Monday's provincial by-election.

He polled 3,181 votes to 1,543 for the only other candidate, Liberal, Walter Anderson, a 41-year-old farmer making his first attempt at politics. The margin was much greater than that registered by Social Credit in 1955.

Olds constituency has voted Social Credit since 1935 when the party formed its first government in Alberta. The by-election was caused by the death of Fred J. Nidder.

The victory gives the government 37 seats in the 61-seat legislature, the same strength it received in the 1955 general election. The Progressive Conservatives held a Calgary seat in a 1957 by-election.

The Olds vote was the first test of public reaction to the government's five-year development plan designed to combat recession. The oil and gas royalty dividend system was suspended in favor of the development plan.

Premier Manning was expected to take the Olds result into consideration for the timing of a general election, expected this year. The government's mandate runs into 1960.

In the 1955 vote Mr. Nidder received 3,161 votes compared with 2,238 for the Liberal candidate in a two-way battle.

It was a cold Monday — two degrees above zero — and the roads were icy. About 7,200 persons were eligible to vote in the agricultural riding.

The campaign was quiet although both Premier Manning and Liberal Leader Grant MacEwan spoke.

The premier pointed to the government's record and Mr. MacEwan cautioned the government against holding a fire sale of provincial natural resources, particularly gas.

House standing: Social Credit 37; Liberal 15; Progressive Conservative 3; CCF 2; Independent Social Credit 1; Liberal-Conservative 1; Coalition 1; Independent 1. Total — 61.

Westcott News

(From Our Own Correspondent)

The Westcott Community Club held a card party recently at the school. Winners were Mrs. Claire Fischer and Mr. Ted Topping; consolation went to Mrs. Ted Topping and Mr. Alfred Baudouin.

The nursing staff of the Didsbury hospital held a skating party at the rink on Friday night and enjoyed themselves thoroughly.

Mrs. B. Rinehart's brother, who had been here for the last few months, returned to B.C. last week because of his father's illness.

Mrs. Herbert Goetien was a recent visitor in Calgary with her daughter, Mrs. Elaine Card and family.

Another of the Community Club's dances is slated for February 14th at the school; music to be supplied by a Calgary group.

Mr. and Mrs. Bill Weidner and family were Calgary visitors last Sunday.

Mr. and Mrs. D. Hayball were Calgary visitors on Monday.

Mr. and Mrs. Herbert Goetien were visitors at the Red Metz home last Monday evening.

The rink was well patronized on Sunday and we understand plans for the February 27th carnival are well underway.

SPRINGSIDE NOTES

(From Our Own Correspondent)

The Ladies' Group met at the home of Mrs. Loraine Rodney last Thursday afternoon, with 12 ladies present. Hostess prize went to Mrs. Florence Chandler and the contest prize was won by Mrs. Dorothy Jackson. Next meeting will be held March 5th at the home of Mrs. Dorothy Jackson.

There were five tables of whist in play at the Community Centre Friday night. Top honors went to Mrs. Olive Jackson, Robert McDonald, Wayne Collins and Mr. Steve. Consolation went to Joyce Wrigglesworth, Irma Roth, Jim McDonald and Pat Dewane. Next card party will be on Friday night, February 20th.

Mr. and Mrs. B. Collins and Mrs. Irene Nimmons attended the dairy convention in Calgary on Wednesday of last week.

Mr. and Mrs. Ed Rodney visited at the Bill Morton home on Thursday evening.

Wednesday night of last week Mr. and Mrs. B. Morton were visitors with Mr. and Ma. H. Ringheim on the occasion of Henry's birthday.

Mr. Butch Neufeld was a weekend visitor at the Rodney home.

Break-in artists used their tools at the local branch of the Crystal Dairy in the early hours of last Friday morning. This is the fourth time the dairy has had to contend with this sort of operation within the past few months. This time a healthy sum of cash was taken.

Entry was made through a rear window; the office door was forced open and the large safe was moved to allow the thieves to operate on it. A hole was chiseled through the side of the safe which made a portion large enough to reach the cash box.

The break-in was discovered by an employee at 7:55 Friday. Local police and RCMP. were notified and a fingerprint expert from Red Deer was on hand shortly.

Records, cancelled cheques, etc., were scattered around the office. "Jock" says it was a "helluva mess."

Investigation is continuing. No arrests have been made.

Harmattan News

(From Our Own Correspondent)

The Harmattan hall board met at the home of Mrs. Lou Workman for the January meeting. Plans were made for the next dance and officers for the coming year were elected. They are: President, Mrs. Clara Armstrong; vice-president, Mrs. Lou Workman; secretary-treasurer, Mrs. George Fagan.

The door prize was won by Mrs. A. V. Johnson. Next meeting will be at the home of Mrs. George Fagan.

St. George's W.A. met at the home of Mrs. A. Johnson for an annual meeting. Business was dispensed with quickly and election of officers took place. Mrs. A. Noakes and Mrs. Dave Morgan kindly consented to carry on as president and secretary-treasurer respectively.

The church meeting then took place, with Rev. C. Wilkins in the chair. Mr. R. M. Spooner was re-elected as People's Warden and Mr. M. A. Knights as Vicar's Warden.

Mr. Bob Heaton was selected as a delegate to the synod, which will be held in Calgary.

Miss Sharon Goodman of Calgary was a recent visitor at the home of Mr. and Mrs. R. M. Spooner.

Mr. and Mrs. Jean Conrad and family moved into their lovely new home last week.

With the help of the old men who are now living in the district the young people are enjoying a skating rink which has been made on the ball diamond.

St. George's W.A. will hold a showing of films on Saturday, Feb. 14th at 8:15 p.m. at the Harmattan hall. Pie and coffee will be served at a nominal fee.

Obituary

KENNETH CLARKE

Kenneth Clarke, one-year-old son of Mr. and Mrs. John Clarke of Didsbury, died in the Calgary general hospital on Wednesday, February 4th, following a brief illness.

Born in the home of the Didsbury-born infant is survived by a sister, Shirley, of Didsbury; three brothers, Stephen, Thomas and Michael, all of Didsbury; his grandparents, Mr. and Mrs. L. L. Klein and Mr. and Mrs. George Clarke, all of Didsbury.

Services were held at Knox United church, Didsbury, on Friday at 2 p.m., with Rev. Gladys Offin officiating. Interment took place in the Didsbury cemetery.

Midway News

(From Our Own Correspondent)

The Lois Cassebeer rink motored to Medicine Hat last week, accompanied by Mr. and Mrs. Paul Hanson. The Cassebeer rink, competing in the Southern Alberta ladies' curling finals, did not come out on top but report a good time.

Mrs. C. D. Harder has returned home following a week's stay in hospital.

Mr. Bert Haste has been ill at home.

Mr. and Mrs. Fred Hoskin celebrated their 50th wedding anniversary on February 8th. Next week Mr. Hoskin will celebrate his 64th birthday.

The Midway rink playing in the Didsbury ladies' bonspiel included Lois Cassebeer, skip; Della Taylor, third; Lemka Pendergast, second; and Jean Swanson, lead. They brought home the grand aggregate trophy and 1st prize in the second event.

Following are the results of the men's bonspiel held last week:

First Event: Marsh of Midway, Okotoks; 2nd, Hohl of Midway, Okotoks; 3rd, Hohl of Midway, Okotoks; 4th, Hohl of Midway, Okotoks.

Second Event: Fox of Carstairs, Pederson of Carstairs, Rodgers of Carstairs, Gore of Acme.

Third Event: Collins of Didsbury, Taylor of Midway, Bennett of Acme, Lore of Midway.

Prize for the biggest end went to Hannah of Acme and the consolation to H. Richardson of Midway.

Prizes were donated by Jay Tuggle, Cowan & Moore, Neapolis Co-op, J. V. Berscht & sons, Harold Oke, Edford Motors, McDonald's Men's Wear, Milk Ford of Carstairs.

"Folio" Fan Disagrees . . .

The Editor, Didsbury Pioneer, Dear Sir:

I wonder why you object so strongly to the C.B.C.'s "Folio." I have discussed this program with many people and they all agree that it is one of the best TV productions, refreshingly stimulating and a welcome change from the usual run of crime and violence.

Possibly somewhat more mental effort is required to appreciate "Folio" than many of the other TV programs, but there is no harm in that, surely, and I think the C.B.C. is doing a splendid job in presenting such a fine variety of opera.

CHINOOK LEAGUE STANDINGS

Following is the latest report of standings in the Chinook Hockey League, as of Saturday, Feb. 7th. This does not of course include the Didsbury-Trochu game played here Tuesday night.

W L T Pts

During the past week Didsbury's entry in the Chinook Hockey League have moved into second place, in the Chinook League, ahead of Innisfail, and from all reports may intend to stay in the higher brackets.

In three games played last week they won two and lost one.

The highly-publicized Innisfail Oilers were taken to camp last Wednesday by a 9-5 count, on their own pond, and were moved back to third place in league standings. In this game Miller McGee created something of a record when he scored four goals, and assisted on three others — a fair evening's work.

However, the locals are still unable to match the league-leading Oilers, who whipped them 8-2 here Saturday night. The visitors lead all the way and were full value for the victory. (This trend must change, but soon!)

J. J. Warren's SEX-SAL-LINK!

IT'S IN A CLASS BY ITSELF!

The remarkable Sex-Sal-Link—bred at the well-known
J. J. Warren Poultry Breeding Farms, and hatched and
sold by Swift—is a strain cross that competes favourably
with any white-egg layer in use today.

Already the Sex-Sal-Link has established an enviable
record in official egg-laying tests, by consistently ranking
among top birds entered. In one test, Sex-Sal-Link pro-
duction hit 285 eggs per bird—54 more eggs than the aver-
age of all birds entered! Livability and feed efficiency
have proven consistently excellent. (Tests entered include
the Storrs, New York State, and Rhode Island Egg Laying
Tests.)

In a side-by-side field test of random-sample birds,
conducted at Swift's Research Farm, the Sex-Sal-Link
outperformed one of the largest selling hybrid layers by
five eggs per hen for the first nine months of laying. At the
same time, livability of the Sex-Sal-Link was 94 per cent
through these months of high production!

Now is the time to order money-making Sex-Sal-Link
layer chicks for your flock. You can get these and other

GOOD SEED—BETTER CROPS

Seed Drill Surveys carried out
thoroughly in each of the three
Prairie Provinces consistently come
up with the same answer: too many
farmers are paying too little atten-
tion to the seed they sow. A high
percentage of the seed taken from
farmers' drills fall into the "re-
jected" class. They will not qualify for
even No. 3 seed — the lowest com-
mercial seed grade. Most of the
samples are rejected on account of
weed seeds, although poor germina-
tion and disease are important fac-
tors.

Prairie farmers grow, each year,
over 40 million acres of wheat, oats,
barley and flax. The value of the
seed required to sow this acreage
is roughly 60 million dollars. While
the investment in seed may be only a
small percentage of the cost of
producing a crop, an investment of
this magnitude deserves careful
consideration. After all, poor seed
will not produce maximum yields of
high quality grain.

Members of the Canadian Seed
Growers' Association in Western
Canada produce millions of bushels of
Registered and Certified seed
every year. Because of the high de-
mand for good seed, however,
much of this high grade seed is sold
as commercial grain while many
farmers continue to sow material
which only qualifies for the com-
mercial "feed" grades.

Improving the quality of the seed
you sow does not need to be a costly
project. It is not necessary to pur-
chase Registered seed for the whole
acreage on your farm. A few bushels
of Registered seed sown on clean
land this Spring would produce
enough good seed to meet next
year's requirements. The cost to
any one farmer would be small, but
if enough farmers followed this
practice a considerable amount of
the Registered grain grown each
year would be used to improve
Western crops instead of being sold
at the elevator.

A well-managed seed plot on
every farm, plus careful cleaning
and more attention to proper seed
treatment, would soon change the
dark picture now presented by the
Seed Drill Surveys — and put dol-
lars in the pockets of Western
Farmers.

Ramblin' and Roamin'

Now It's For Sure, We Hope . . .

Word out of Ottawa last week informs us that the amount of \$60,000 (a little less than we expected) has been allocated for a public building in Didsbury. The actual site and when construction will begin have not been revealed as yet. However it's nice to know that our friend "John" has included "our town" in his expansion plans. Now, what goes with the provincial "five-year" plan insofar as "our town" is concerned?

Just For The Record . . .

Don't plan anything special for February 28th — that's the date set for the annual Ice Carnival in the local Memorial Arena. More details of the winter fun-fest will appear shortly.

Vigilantes Needed ? ? ?

One of the town's business places was entered one night last week; 'twas the fourth time in as many months that the same premises had been broken into. Earlier break-ins netted the would-be thieves next to nothing but on the last try they escaped with a fair bundle of cash. What a number of people are asking these days: "Is our police protection good enough? Should some revisions be made in strength and coverage? Should not the Town Council investigate this matter very thoroughly?"

HELPING TO BUILD A BETTER ALBERTA

Letter To The Editor

Editor, The Pioneer.

Dear Sir:
I am writing this letter to help clarify "Public Notice of By-Law" as published in your paper on Dec. 18, 1958.

As we are nearing the time of the annual meeting for the Municipal District of Mountain View No. 46, and more interest is being taken in municipal affairs, it appears that the notice of this "by-law" was not even read by many. As ten per cent of the proprietary electors failed to petition the council to submit such a by-law to the vote of the proprietary electors the council thought fit to pass the by-law.

In the past, we are all aware that a candidate for councillor was elected only by the electors in his division.

If the general vote is used a candidate might get 90 per cent of the votes in his division and yet be voted out by electors who did not know him, who lived in remote divisions of the municipality. Likewise, a councillor could be retained against the vote of his divisional electors; also the cost of holding elections will treble as compared to an election with divisional voters only.

If 10 per cent of the proprietary electors ask for a plebiscite on the by-law the electors have a say in this important matter.

I trust this letter will arouse interest so that each elector will give this by-law of voting at large for councillors their careful consideration.

Respectfully yours,

J. A. PATON

Notes From D.A.

By HOWARD FULCHER
District Agriculturist

The cost of producing and putting a hog on the market can vary greatly. In many cases little financial returns are obtained while in other cases satisfactory profits are realized. The type of pig, the feeding program, the market condition all effect the monetary returns.

An item which has a large effect and can often be improved by good management is the number of weaned pigs per litter. When you consider a sow will consume about sixty bushels of grain in a year it is quite a charge against each pig she raises. If the litter is small the charge per pig is naturally higher, this feed cost combined with other items of labor, buildings, breeding stock, etc., makes it imperative to get satisfactory litters if profit is to be obtained.

Pregnant sows should be well fed, provide a good balance ration, this will require mineral and protein supplementation. The sows should have comfortable quarters and should be forced to exercise by feeding some distance from their sleeping pens during their pregnancy.

Many litters are small and weak, some complete losses from lack of iodine in the sow's feed. This shows up in young pigs as weak, small unthriftiness and in severe cases hairlessness. There is no cure, prevention is a simple matter. It is the feeding of potassium iodine. The procedure is to feed potassium iodine by dissolving one ounce in one gallon of water and giving the sow one tablespoon of this solution in her feed each day.

Letters To The Editor

Editor, The Pioneer.

Dear Sir:
I am sure your readers will be pleased to learn that the Christmas Seal Sale has again been brought to a successful conclusion. While it is pleasing to know that we are adequately financed for another year, it is equally gratifying to realize that over 103,000 individuals in Alberta are sufficiently impressed with our work to support us with their donations. To these people we express our sincere thanks. We are also deeply appreciative of the help received from many individuals and organizations who rendered assistance in the campaign.

On behalf of the Alberta Tuberculosis Association I wish to express our gratitude to The Didsbury Pioneer for the valuable aid in bringing the campaign to the attention of the public.

We were able to expand our program substantially during the past year with the result that, in co-operation with the provincial department of health, over 176,000 people received free chest X-rays. We are constantly seeking methods whereby our services may be improved and shall continue relentlessly until the scourge of tuberculosis is removed from our midst.

Yours sincerely,

E. A. D. McCuaig, President,
Alberta Tuberculosis Assoc.

A farmer was losing his patience and temper trying to drive a team of mules into a field, when the local parson came by and said:

"Don't speak like that to those dumb animals."

"You are just the man I want to see," said the farmer. "Tell me, how did Noah get these critters into the Ark?"

WRONG CONNECTION . . .

Three men, waiting for a train, decided they had time for a few drinks. Finally, two of them leaped up and ran just in time to catch the train. The third one fell down laughing.

"What's so funny about missing a train?" asked a passing cop.

"Those two guys," said the tipsy one, "came down to see me off."

PAROLED TOO SOON . . .

Johnny showed up at the pool-room with his head swathed in bandages. "How'd you come to get banged up?" asked his buddy.

"You know that brown-eyed baby on the first floor whose husband is in jail?"

"Yeah."

"Well, he ain't!"

If the sow's feed is good and suitable farrowing pens are provided with reasonable care and management a sow should wean eight or more healthy pigs per litter. The procedure is to feed potassium

TEXTILE TERMS DICTIONARY
Continued from last week's column are some more textile terms defined for you. Carry these in your purse so that you may be an informed shopper.

11. **FELTON:** A non-woven (like felt) material, used mainly for interlining. Can be obtained in various weights, black and white. Now available in other colors and prints for skirts. Not washable.

12. **PIECE DYED:** The fabric is dipped in a dye bath after it has been woven. This type of dying does not give as complete or as even a job as yarn dyed fabrics in which the yarn is dyed before it is woven.

13. **FILLING:** Many of the man-made fibres have this disadvantage (e.g. orlon, dacron, dynel and nylon). With wear and abrasion little balls of lint form on the surface and gives the material a fuzzy look.

14. **REDMANTIZED:** A process for pre-shrinking knit goods. Usually applied to cotton and rayon but sometimes to wool jersey as well.

15. **RESIDUAL SHRINKAGE:** The percentage of shrinkage that occurs in the fabric at the time of its first washing.

16. **SANFORIZED:** A trade name that indicates that a fabric will not shrink more than one per cent in either length or width.

17. A finishing process in which a substance (glue, casein, wax, clay) is added to a cloth to give added strength, stiffness, smoothness or weight. Excess sizing is often used to make a poor quality material appear better. Check for excess by rubbing a corner of the material between your fingers.

18. **WEIGHTED SILK:** Metallic salts are sometimes used in dyes and finishing silk to increase weight and darning quality. Overweighting causes deterioration of the fabric.

VALENTINE VARIETIES

Make Valentine Day a "red letter" day in your house. Do some special baking:

Valentine Tarts
Custard Filling: 2 cups milk, 4 egg yolks or two whole eggs, 1/2 tsp. salt, 4 tbsp. sugar, 1/2 tsp. vanilla.
Scald the milk in the top of the double boiler. Beat together slightly the eggs, sugar, salt. Add hot milk to the egg mixture, mix thoroughly and return to the top of the boiler. Cook over hot water, stirring constantly until the egg coats the spoon. Chill.

Cherry Filling: 3 tbsp. cornstarch, 1 cup sugar, 1 cup boiling cherry syrup, 3 cups canned cherries, pinch of salt.
Mix cornstarch, sugar and salt, add cherries; cook until clear; cool. Place 2 tbsp. custard in each baked tart shell, then 1 or 2 tbsp. cherry filling. Top with whipped cream and serve.

Cupid's Cookies: 1/3 lb. unblanched almonds, 2 egg whites, pinch of salt, 1/2 lb. sifted icing sugar, 16 marshmallow cherries (drained and chopped), few drops of each vanilla, almond extract, red vegetable coloring.
Put almonds through food chopper, using a rather fine knife. Beat egg whites with salt until stiff, but not dry, and then gradually beat in the icing sugar, beating after each addition until the mixture stands in peaks. Tint pale pink with food color. Set aside about 4 tablespoons of this meringue mixture for topping. To the remainder, add the almonds, then the drained and finely chopped cherries — flavor with almond and vanilla extracts. Drop by small spoonfuls on a well greased baking pan and top each spoonful with a little of the plain meringue mixture which has been saved. Bake in a 450 deg. oven until set.

RUGBY WOMEN'S GROUP PLAN VARIETY CONCERT
Rugby W.I. met at the home of Mrs. Roy Block on February 5th, with 14 ladies present. It was decided to hold a variety concert on Feb. 16th at the home of Mrs. Howard Krebs.

Print remnants donated by Eaton's were distributed, to be made into bazaar items. A chapter on "Growing Up", by Stephen Laycock, was read by Mrs. Harvey Hoesgood.

The winning members of the canning contest were: Mrs. Howard Krebs, Mrs. A. G. Smith and Mrs. Alex Blain. Work was started on the Jubilee Scrapbook. Plans were made for a Variety Concert to be held some time in March.

The tea raffle was won by Mrs. H. Krebs. Mrs. Dan Steward served as a new member. The next meeting will be held at the home of Mrs. Lawrence Krebs.

SWEET CLOVER WEEVIL

Frequently it is my privilege to discuss the subject of soil enrichment through the use of sweet clover, with many farmers. More and more of this legume is being seeded on our district farms. The crop can either be plowed under as a green manure, or else it can first be hayed, allowed to make regrowth, and plowed down later in the season. Good as this practice is, there is also a drawback.

Sweet clover weevils have in many instances posed a serious threat to the growing of sweet clover. These little insects feed only on the sweet clover plants and usually become active on the first warm day of spring just as soon as the clover plant begins to emerge from the ground. The weevils love to feed on these tender young plants and their activity increases rapidly as the plant begins to stretch up.

It is at this early stage that one should keep a careful watch on the growing clover plant. The presence of the weevil can be detected in two ways. The easiest way to detect their presence is to examine the seedling plants. If you can discover that crescent shaped pieces are missing from the leaves then you know that weevils are at work. They simply bite and consume the edges of the leaves, just like a boy takes a bite out of a cookie. They will keep on until all the foliage is consumed and the plant will then die.

South-bound driver: "Oh, I nicknamed her Rowboat."

North-bound driver: "That's a big thing with a pointed nose and a flat bottom."

South-bound driver: "That's my girl!"

If you have planted sweet clover or plan to do so you should carefully consider the use of approved culture or chemical methods to safe guard your sweet clover crops.

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

Students and faculty alike visited all but two churches of the conference last weekend. It was the annual appeal of the college appeal for financial assistance. This is done during the month of January each year. It has been most successful again and we do appreciate the help that the church and friends of the college give us each year.

On Monday Miss Theaker, of the Child Evangelism Fellowship of Canada, was a guest of the College. She showed a film of the work during chapel in the morning, and in the afternoon addressed the class in religious education. Miss Theaker represents the work in various colleges here and there in the Dominion and will return to her work in Toronto soon.

Mr. and Mrs. Taylor and family, Mrs. Florence Finlay, and Mr. and Mrs. Witt and family, were dinner guests of Mr. and Mrs. Vogel Friday night.

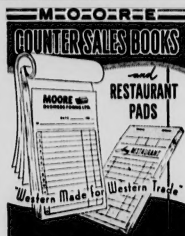

The Board of Directors of Mountain View Bible College met in the Student Centre for their annual meeting on February 11. Reports of every department were given, faculty hired, and a budget of the year presented. The members were guests of the college during the day, in chapel and for dinner. At chapel students gave reports of the deputization work for the weekend. Rev. Annett, pastor of the Didsbury United Missionary Church, is chairman of the board.

Mr. and Mrs. Arthur Eby visited Acadia Valley last weekend. Arthur spoke on behalf of the school on Sunday while there; they also visited Mrs. Eby's brothers, Henry and Chester Neilson, and Mr. Clinton Eby, while there.

On Friday night the students enjoyed a skating party, after which refreshments were served in the dining room. Miss Ann Snyder is convenor of the social-recreational committee, under whose guidance and planning these social events take place.

This coming weekend the college will be a busy place. A large number of young people will visit the campus for the annual Youth Fellowship convention. The college will play host for this event, and onlookers may see at least 100 additional young folk going in and out of the buildings from Friday until Sunday afternoon.

Rev. Bowman of the Ohio Conference, will be the youth speaker, and is noted for his ability to do such work. Mr. Ormand Shierick, a senior in the college, is the conference director for this occasion and has done an excellent job.

SMILE AWHILE . . .

Just as an elderly man stepped from the curb, a huge dog trotted around the corner and knocked him flat on his back. He had barely struggled to his feet when a small foreign car brushed against him and knocked him down again. A passerby rushed over and helped the old boy to his feet. "Are you all right?" he asked.

The old man steadied himself, then replied: "That dog didn't hurt me any, but that damned cat tied to his tail nearly killed me."

OREMONA NEWS

(From Our Own Correspondent)

The first meeting of the local school board was held on Monday evening, February 9th. The Members elected were:

Mr. E. R. Wigg to represent Mt. Hope and Dog Pound; Mr. M. Barie, Oremona; Mr. Good, Garfield; Mr. Charles Bird, Byron; Mr. A. Reid, Elmwood; Mr. A. Cook, Rugby; Mr. Wm. Graham, Big Prairie.

The regular meeting of the Home and School Association was held on Tuesday, Feb. 3rd. During the course of the evening Mr. Husby mentioned that many scholarships are available to aid interested university students. Mrs. Marion Reid presented the films she secured on her tour of Europe last year.

Roland Camp had the misfortune to break his arm last week. Roland is having a bad time of it since he hurt the other arm in a fall not so long ago and it has not completely recovered.

Snow plows have cleared away tremendous amounts of snow in this vicinity during the past week. Mrs. J. Watt and Sheila have departed for the west coast where the latter plans to go into training as a nurse.

LIGHT YOUR WAY . . .

WITH BIBLE STUDY

Of three things a person has much need, in order to prosper in all his undertakings: prayer, prayer, much prayer.

What is prayer?

In the simplest of words, prayer is a heart to heart talk with God. More wonderful than radio, telephone or telegraph. For the power never fails, the line is never down, there is no busy signal. God is always ready to hear our prayers.

It has been said, and rightly so, prayer is to the soul what breath is to the body. When breathing becomes heavy and clogged, the body is sick. When prayer becomes unpleasant or lifeless, the soul is sick. When the Christian stops conversing with heaven, then hell begins to speak.

Jesus says: "Pray without ceasing." And again He said: "Call upon me in the day of trouble: I will deliver thee, and thou shalt glorify Me."

Let me put it this way. Prayer pulls the rope below, and the great bell rings above in the ears of God. Friends, has God heard bells ringing because you have been praying?

PRODUCERS TO GET SAVINGS

The Canadian Wheat Board has announced a new schedule of prices for wheat stored in Fort William. Since the first of February the Board selling price has been advanced 5 and 7 1/2 cents per bushel. This is approximately the amount that is expected to be saved in freight charges on grain moving overseas after the St. Lawrence Seaway opens in June. The increase in selling prices has been made in order to pass the freight savings on to the producer.

CHRISTIAN SCIENCE

God's great healing and saving power will be brought out at Christian Science services Sunday.

Scriptural selections will include the following from Matthew (14:14): "And Jesus went forth, and saw a great multitude, and was moved with compassion toward them, and he healed their sick."

Subject of the Lesson-Sermon is "Soul", a word which, when capitalized, is used in Christian Science as one of the synonyms for God. From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be read the following: (210: 11-16):

"Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."

The Golden Text is from Psalms (62:1): "Truly my soul waiteth upon God: from Him cometh my salvation."

WESTERDALE NEWS

(From Our Own Correspondent)

Eight tables of military whist were in play Monday evening at the F. J. Jackson home, in spite of the extremely cold weather. Honors went to Mrs. J. E. Bolton, Mildred Reist, Mr. D. Herbert and Mr. A. Jones.

A dance will be held at the hall on February 20th, with Franklin's orchestra supplying the music.

A meeting of the Westerdale Young People's Club was held at the home of Mr. and Mrs. Ben Ker-shaw on February 2nd. There was a fair attendance; Mr. A. Jones, vice-president, was in charge of the meeting. It was decided to hold a dance on February 20th and have a military whist party at the end of March. It was also decided that \$25.00 worth of hockey equipment would be purchased for the local lads.

WEST NOTES

(From Our Own Correspondent)

Owing to road conditions and so many members of the Elton and Willing Workers playing in the Didsbury ladies' bonspiel, their whist drive, originally planned for last Friday evening, was postponed indefinitely. Mrs. Cowitz Sr. left for Calgary at the weekend to spend some time with her son Elmer and family.

Members of the Elton Willing Workers met recently at the home of Mrs. A. L. Hoag to quilt a comforter for the Red Cross.

Mr. and Mrs. C. Crosby are planning to spend the rest of the winter with Mrs. C. Russell, as Mr. Russell is still a patient in the Didsbury hospital.

Scarlet fever in Cremona, pumms in Didsbury and chicken pox at Elton, still hold sway.

Mrs. Helen Erickson, Mrs. Edith Luft, Mrs. Edith Gillies and Mrs. Mabel Waldorf, on one team, and Mrs. Hazel Hoag, Mrs. Helen Bedus, Mrs. Vic Evans and Mrs. Brinson on another, took part in the ladies' bonspiel in Didsbury.

Mr. and Mrs. H. Russell visited with Mr. and Mrs. C. Byrt on Sunday.
